

10 REASONS TO BE ON SUBSCRIPTION

Benefits of SOLIDWORKS Subscription and CADimensions Support

SOLIDWORKS Community

Over 2 million users worldwide collaborating to find solutions and provide help.

Certifications

Subscription customers are eligible for up to 6 certification exams per year.

Technical Support (How To?)

Let us help you figure out the best way to create a model or project. We pride ourselves on being partners with you.

SOLIDWORKS User Group Network

Free local quarterly meetings to cover all things SOLIDWORKS, typically with giveaways and dinner.

Enhancement Requests

Gives you the ability to provide direct improvements to the software.

Customer Portal

Access point to all things SOLIDWORKS (Upgrades, Technical Content, Community Navigation and more).

Knowledge Base

Comprehensive library of documents written and reviewed by SOLIDWORKS Experts.

Technical Support (Issues)

If you are running into an error, let the staff at CADimensions do the troubleshooting.

Upgrades

Access to Service Packs throughout the year and Major Releases, full of enhancements, each year.

CADimensions

Local, live support with the Highest Customer Satisfaction Rating in North America!

Contact CADimensions (<http://www.cadimensions.com/contact>) with any questions about renewing subscription services today.
